Mission and Vision

RP Pest Control Services is a pest control services company in the Philippines. We are committed to providing High-Quality Pest Control Solutions to both residential and commercial establishments in the Philippines through state-of-the-art technology that is non-toxic, environmentally-sound, and optimized for each client's needs. RP Pest Control Services is committed to providing High-Quality Pest Control Solutions that fit both customer's budget and their requirements. Our Technicians are committed, honest, prudent, and professional exterminators who have been well trained to serve the High-Quality Pest Control Solutions and long-term protection from Pests. RP Pest Control Services committed to maintaining long-term relationships with our clients.

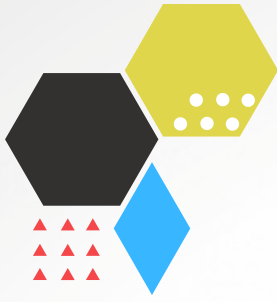

Greetings!

As the Owner, I can say we are a proven successful company. We start from scratch like the others, but because of courage and willingness, here we are today giving high-quality services to everyone who needs to protect their belongings. We all know that memories of some specific stuff that we have are important to us, but sadly to know pests taking out those important memories. So, we are here to prevent those kinds of events to happen and keep all the things that you need to keep.

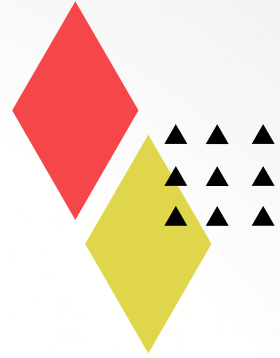

RP Pest Control Services will give protection to your properties we will also assure about your safety and health regarding the technology we are using for performing in services for a budget-friendly price, so no worries needed.

RP PEST CONTROL SERVICES got your back about this matter! WE ARE HERE TO SERVE YOU!

HISTORY

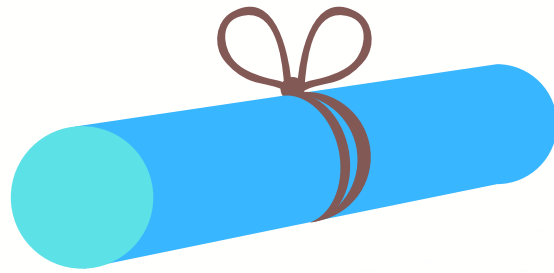

HOW WE STARTED

MY FATHER INHERITED THIS BUSINESS FROM HIS UNCLE (MY GRANDFATHER), THEN EVENTUALLY PASS IT ON MY END. IT JUST STARTED AS A SMALL BUSINESS OR PART-TIME JOB IN OUR PLACE. THE NAME BEFORE THE COMPANY WAS PAMPESCON (PAMPANGA PEST CONTROL). OUR BUSINESS WAS ESTABLISHED AND START IN THE YEAR 2013 THEN YEARS PASSED IT CHANGE TO RP PEST CONTROL SERVICES.

EVERYTHING STARTS WITH NEARBY CLIENTS. AS THE BUSINESS GROWING, WE GO TO SOME DIFFERENT PLACES WHICH ARE FAR FROM WHERE THE BUSINESS START. TO MAKE THE BUSINESS GROW MORE RP PEST CONTROL ATTENDED SOME TRAINING AND SEMINARS TO LEARN MORE ABOUT THE SERVICES WE ARE GIVING TO THE CUSTOMERS AND CLIENTS. FURTHERMORE, BECAUSE OF HARDWORKING AND TEAMWORK, RP PEST CONTROL IS NO LONGER A SMALL BUSINESS, IT IS NOW A BIG BUSINESS TO EVERYONE.

TRAININGS

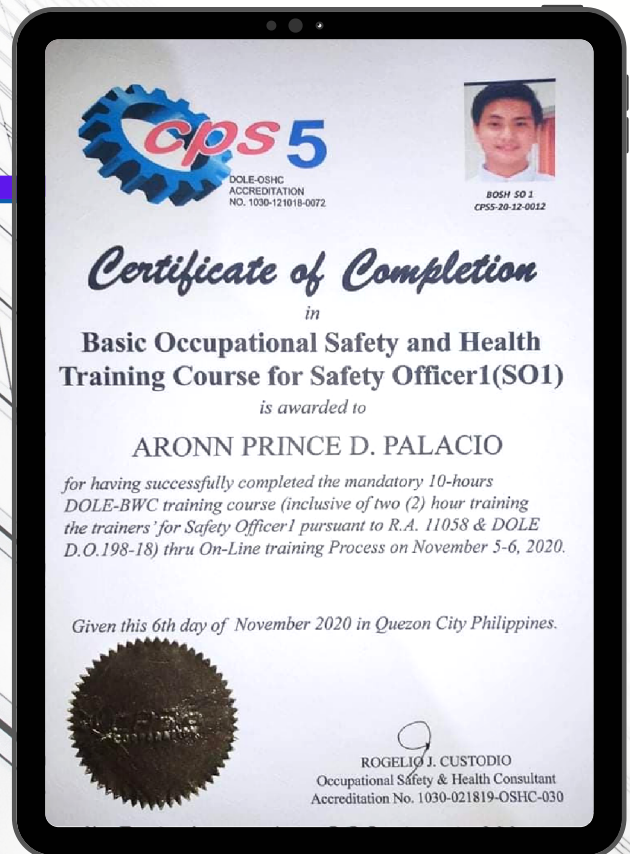

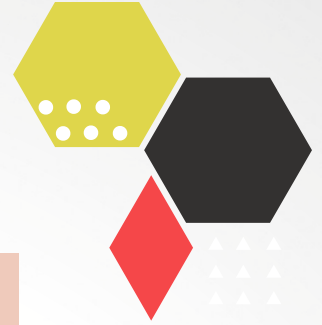

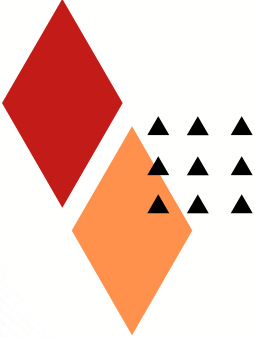

RE-ENTRY PLAN

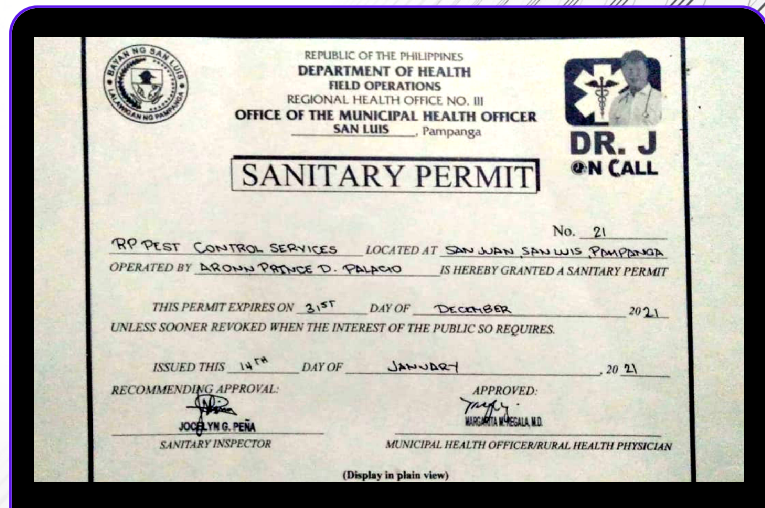

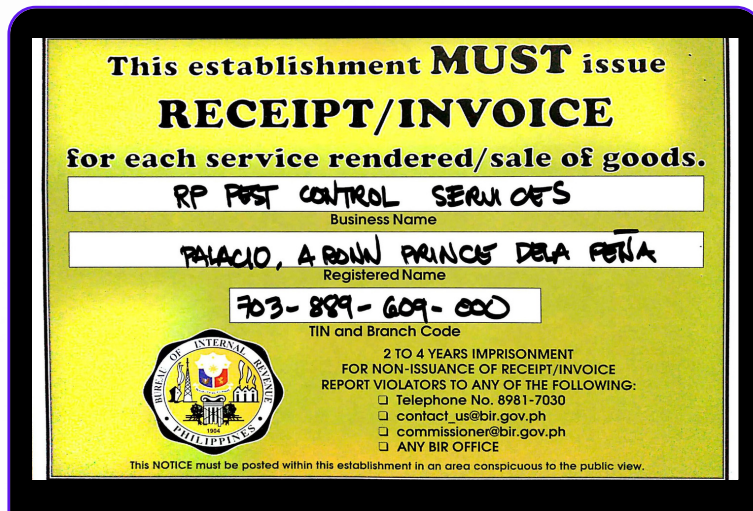

- Make a self-assessment of acquired skills and know-how.
- Develop a plan to:
 - Communicate your acquired know-how.
 - Super-imposed acquired know-how to existing programs.
 - Identify hazards and propose corrective measures.
 - Monitor implementation to the extent of your authority.
 - Assist the company in keeping the interest on safety and health.
- Visualize the expectation of:
 - Your Superior
 - Peers
 - Subordinates
 - Family
- Prepare a summary report based on the discussion, notes taken, and hand-out information.
